## Money Spent Here, Stays Here

December 2015

I sometimes hear folks encouraging someone to buy their books elsewhere to get a better deal. Sometimes, it's true. You may be able to find a better deal online, or through another outlet, but consider this. Your dollars spent here, stay here. That money helps support this campus via the General Fund and oftentimes other budgets. It also goes back into your bookstore so that we can continue to offer not only books, but so much more. We are offering more used books for our students than ever before, as well as e-books and rentals. Our purpose is to be here to support our students and fellow employees. In the future we are hoping to offer students a "one stop" comparison shopping tool! Stop by and see what we're up to. ☺

## What's Up

With the holidays upon us life gets pretty hectic. Are you part of a gift exchange this year? Looking for little stocking stuffers or tokens of appreciation?

We've got a variety of new, affordable items that may be just what you're looking for. We'd be happy to show you what's new! Most items are under \$10!

We will be closed from December 21<sup>st</sup> through January 3<sup>rd</sup>. Book buyback is December 9<sup>th</sup> – 11<sup>th</sup> and book sales for the Winter Term go on sale December 14<sup>th</sup>.

This leaves 5 days for students to purchase books in the store before Winter Term starts. We are working on some ideas to help students, but in the meantime, help spread the word by reminding students about this timeline. Thank you!

We will have artwork in the Bookstore created by the kids at the Ford Family Center! All proceeds from the sale of artwork will go directly to the UCC Foundation Ford Childhood Enrichment Center Program Fund.
