## Every Word You Speak, Every Action You Take

March 2016

Some of the most meaningful moments in my life took place without the other person knowing the impact of their words or actions.

I remind myself to think before I speak, breathe before I take action and consider the impact of what I say and do before my actions can't be undone. How much better we would all be if we focused on building each other up instead of tearing each other down.

## What's Up

### Have you always wanted a Microsoft Surface Pro?

We found a screaming deal on a Surface Pro 3 bundle. You get the tablet (Pro 3, 64 GB, Intel Core i3), the type cover and a stylus for \$650. These originally retailed for over \$1,200 just for the tablet. This bundle is only available through March so place your order today!

### Verba is Coming!

We're excited about being able to add this tool to our store. It will help us help you in 3 key areas!

1. We will be able to get the best possible prices on adopted textbooks & other course materials.
2. A comparative pricing tool for students. You can compare the bookstores prices to other sites for your book, see what's available and then use the links to order what you want. One stop shopping!
3. An electronic tool for faculty to make their adoptions. It's sleek and easy to use.

Hot dogs are back! You asked and we brought them back as an option for you. You can find them heated and wrapped in the warmer in our food section.

## Quote of the Month

"It's not the size of the dog in the fight that matters. It's the size of the fight in the dog."
