That's Right... I'm a Twirler

May 2016

On those days when I'm stressed & responsibilities are heavy, I've been known to twirl. There's something about the twirl... it takes me back to somewhere around the age of 5 when hopscotch was incredibly fun and puddles were meant to be jumped in. And unless it's not clear by now, I LOVED TO TWIRL!! The biggest responsibility on my tiny shoulders was probably helping set the table for dinner.

It's hard to be an adult sometimes. Life can be stressful and you can feel a little, or a lot, unappreciated. You're being pulled in every direction and finding a little time for yourself seems impossible! Sound familiar?

Take a moment and twirl. I promise, you can't help but smile. ☺
